# I KNOW THE LORD'S LAID HIS HAND ON ME

arr. Patricia Hurlbutt

2-3 octaves

CP7086

Level 1

\$4.95 \$4.21

Patricia Hurlbutt returns with another very useable arrangement of a well-known spiritual, suitable for 2 or 3 octaves of bells. Featuring a variety of techniques, this level one setting will work equally well in school or church environments. The only difficulty for beginning groups will be the quick tempo, but this spiritual can be effective at a slower pace as well.

Arranger David Howland brings us this hauntingly beautiful arrangement of a French Canadian Christmas tune. Although Level 1+, it is in 2/2 meter and will provide a good teaching opportunity for that time signature. Beginning groups might start out with 4/4 meter and then move on up to 2/2. Enjoy this lovely work on two, three, four or five octaves of handbells.

## C JAM MOOD

Roderick Davenport

3-5 octaves

CP7027

Level 2

\$4.00 \$3.40

Your ringers are sure to ask to play this one again and again! Roderick Davenport's original makes a great opener or encore for concert and would most likely be a fun festival selection! Use it as a teaching piece for techniques (mallets, pluck, martellato, LV, shake), swinging eighth notes and bell changes. Sure to be a good resource from year to year.

**PERFORMANCE INSTRUCTIONS:**  
This piece may be played with handchimes or handbells. Some of the articulations should only be used with handbells. Do not play "blasts" with handchimes. Handchimes may use finger changes instead of mallets, but they are difficult to do with the larger chimes. It is certainly acceptable to just ring the octave notes with handchimes.  
All notes marked with dots (•) should be played with handbells on the subdivisions, unless otherwise indicated.
