## O HOLY NIGHT

2 and 3 octaves (Two Editions)

MMEAAM243

“O Holy Night”, originally written in French and titled “Cantique de Noel”, is a well-known Christmas carol composed by Adolphe Adam in 1847 to the French poem “Minuit, chretiens” (Midnight, Christians) which was written by wine merchant and poet, Placide Cappeau (1808-1877). The song was originally intended for solo voice, but has been arranged and reset for a variety of voicings and instrumentation over the years. This current setting is for two or three octave handbell choir and is abbreviated to make it more accessible and performable by smaller groups.

## CHRIST WAS BORN ON CHRISTMAS DAY

2 octaves

MMEAAM201

Part of the "Easy & Easy Medium Series", this folio contains two arrangements of the Christmas hymn. The Easy version is in 6/8 time and the key of B-Flat. While this is a more difficult meter than most beginning pieces, it works well using just the first 12 measures (and a repeat if desired). An original bridge leads to the slightly harder Medium Easy version. These versions can be played separately or together as a longer single work. 30 measures in length, it is scored in Bb Major and C Major.

## GREENSLEEVES

2 octaves

MMEAAM199

There are actually three arrangements of the English carol in this folio: a very easy warm-up or practice version, an easy Level 1 version, and a more developed Level 2 version. All are perfect for the beginning choir as they build up their ringing skills. 33 measures in length, this work is scored in G Major.
