Contemporary Praise and Worship for Handbells

LORD, I NEED YOU

3-5 octaves

RP7527

arr. Dan Edwards

Level 3-

\$4.95 \$4.21

Based on an old hymn, this praise song is being used around the world, and this lovely setting captures it well. The few 16th note patterns are repeated several times, and the malleted notes add energy to the bridge. If you don't know this song, look it up - the lyrics are beautiful and meaningful.

I HEARD THE BELLS ON CHRISTMAS DAY

3-5 octaves

RP7530

This is one of the most popular contemporary Christmas melodies to come along in several years, and Bill Ingram's nice arrangement captures its spirit perfectly. Be sure to take care of the melody, which is often in the bass clef. Note the optional ending at measure 77 for those who wish to end it like most contemporary singing groups do. 79 measures. Keys of e minor and C Major.
