This book is the result of the author's years of work with children. Each title has 2 versions, one for 2 octaves and one for 2 1/2 - 3 octaves. All of the music is arranged in a simple manner, with minimal eighth notes and

A la Nanita Nana

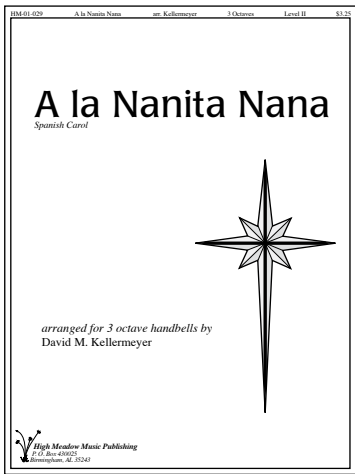

Arr. David Kellermeyer

3 Octaves • Level 2

MHM01029

~~\$3.25~~ \$2.93

The delightful, traditional Spanish carol is here marked "crisply" and begins with a mart-lift and a shake to get the listener's attention. Both linear and chordal textures are found as well as staccato technique and a toll swing. The tune begins in c minor, but moves to a bright C Major for the chorus.

Christmas Night

Arr. David Kellermeyer

A medley of "Watchman Tell Us of the Night, (Aberystwyth), Angels We Have Heard on High (Gloria), and Away in a Manger, (Cradle Song and Mueller)" make up this easy selection for bells and piano. There are a couple of bell changes, but plenty of time is given to make the change. The piano gives the work a "bigger"

sound, and allows young ringers to be involved in a larger work. Performance options are given on the final page, including adapting a 4 to 5-octave choir to play the keyboard accompaniment.

TruTimbre Singing Bell Stick

Impress your audience with the popular singing bell technique! Our singing bell sticks are made from durable hardwood and capped with a comfortable plastic hand grip. The wood is unfinished to provide a better result with the handbell and to give ringers the ability to "customize" sticks to their preference— the wood surface may be sanded to remove rough grooves or wiped with a slightly damp cloth to raise the grain of the wood.
