A fanciful introduction builds over 8 measures before introducing the tune commonly known as "Jingle Bells." A footnote indicates adding a set of sleigh bells in the middle section. Optional repeats elongate the setting, which ends with a grand mart-lift in measure 52.

# Meditation on Veni Emmanuel

Arr. Matthew Prins

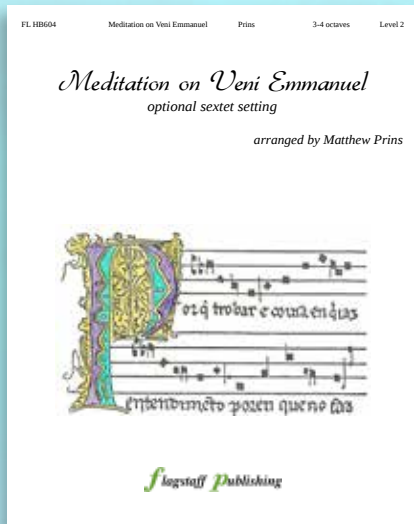

3-4 Octaves • Level 2

MFLHB605

~~\$4.00~~ \$2.40

Handchimes and malleted handbells provide color in this arrangement of the favorite Advent piece. At times it calls for using the mallet handle rather than the head.

The music is in perpetual motion with eighth notes that build from a quiet start and then crescendo to a rich forte before ending softly. The composer offers special instructions for using this music as a bell sextet. It is scored in e minor and is 40 measures.
