Second Suite for Bells

Bill D. Dugger
3 oct HB Level: 2

MMEAAM239

~~\$4.95~~ \$4.21

This three movement Suite encourages choirs to work on contrasting styles and tempos. There are no specific metronome markings given, allowing directors the freedom to interpret the movements in a manner best suited to their choir. Care should be taken to practice

the transitions between techniques slowly at first, then gradually increasing the tempo as ringers become more confident.

This song is also known in English as "Brother John". It is about a monk waking up to ring monastery and church bells to call people to the very first church service of the day. In the medieval monastery, the bells calling people to the service were known as matines or matins. This arrangement, in theme and variations form, contains some syncopated rhythms and eighth note chord sequences in the treble clef that may require additional practice for newer ringers.

Dream, My Little One

3 oct HB Level: 2

MMEAAM248

\$4.25 \$3.61

After the birth of his niece, the composer wrote a lullaby for her parents to sing to her. The tune grew on the composer and he played it for himself in between classes at the school where he taught elementary school music. This setting makes the lullaby accessible for handbell choirs. Written to be played in a slow 3 or subdivided into 6 beats per measure. The key change is seamless as it moves from C minor the Eb major and returns to C minor in a traditional ABA form.

Ring Out the Good News

Bill D. Dugger
2 oct HB Level: 2

MMEAAM249

~~\$4.95~~ \$4.21

Written for 2 octave handbell choir, this piece uses swings, gyros and martellato to create a feeling of excitement. While there is no specific tempo indicated by the composer, allowing directors the freedom to

use the tempo best suited for their choir, the piece should be played with joy. The beginning, written with two flats, is very modal in sound but the key change at measure 33 sets the ending of the piece in a solid F Major.
