Welcome Back!

As I am writing this, it is almost Thanksgiving. It's hard to believe that the end of 2018 has arrived so quickly. With that said, I wish I could personally thank each one of you for supporting us over the years. Daily, I am reminded of the great people that make up this tight-knit community. It is humbling to be a small part of it.

In the spring of this year, Pam embarked on what we fondly call the Western Tour. We lined up handbell festivals in the west coast region that we have not had the opportunity to attend in a long while. She had so much fun reconnecting with everyone that she has begun planning for spring 2019. So if you are in the west coast region, keep an ear out and you may just have the chance to visit with us!

I am excited to tell you about a couple of new publishers and publications that I think many of you will be thrilled about. First, Brian Childers is now publishing under Bellissimo Publications. He has also released a great devotional called "Ringing Deeply". This devotional is divided into three sections: The Christian Year, Seasons, and Special Celebrations. Devotions include scripture, reflections, poetry, hymn texts, prayers, and recommended music for solo/ensemble and choirs of all levels. Another exciting new publisher is Don Allured Publishing. Many of Don's arrangements and compositions that have been permanently out of print will be gathered under Don Allured Publishing and be available for sale again. So keep an eye out for some great revivals in the near future. Thirdly, Kathleen Wissinger has released a new method book for teaching music using handbells called "Square One". This complete pedagogical Level 1 method book has been proven in the classroom and concert! You can find all of this on HandbellWorld.com.

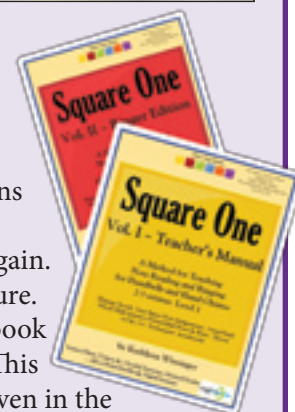

As always, many exciting things are happening in the handbell community as we look toward 2019. You can stay up to date on the latest music releases and community happening with eVibes, our newsletter. If you do not receive our newsletters, sign up on HandbellWorld.com so you can stay in the know.

Wishing you a Happy New Year and Joyful Ringing!

WONDERFUL, MERCIFUL SAVIOR

arr. Bill Ingram

This modern hymn is appropriate for many types of services, and this arrangement can stand alone or accompany congregational singing. The melody moves around in different voices, and the echo technique is used. Whether a beginning group or a more experienced one with limited rehearsal time, this is perfect for a thoughtful moment of worship.

Crotales: Bring New Spark to Your Music!

What Are Crotales? Sometimes called antique cymbals, crotales are percussion instruments consisting of small, tuned bronze or brass disks. The name comes from the Greek *crotalon*, for a castanet or rattle.

- play with mallets, like finger cymbals, or by bowing
- bright, sparkling sound with long resonance
- available in low and high octave sets (13 discs in each set)
- sets include universal mounting bar that fits most standard cymbal stands
- easy to transport (separate cases available)
- tuned to A+442 unless otherwise requested
- discs feature countersunk center holes to accept recessed rubber caps, and the bars include shorter mounting pins—combination allows the caps to sit almost flush with the Crotale surface, greatly reducing extraneous noise when playing
- steel reinforced stem on mounting bars reduces the potential of breakage at the common stress point

This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for South Carolina. South Carolina does not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

15% off all non-sale music. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software and instruments are not subject to music discount.
