Welcome Back!

As we enter the Summer and prepare for ringing to start in the Fall, we turn our thoughts to music. New music and scorebooks from many publishers. Publishers with different handbell music. From Pop to Sacred, Secular to Praise and Worship, Classical to Contemporary. All of this is because the handbell community is very diverse.

But among all of this is a declining handbell music community. The reasons for this are varied. If you ask three people, they will give you at least three different answers. Heck, I can probably give you ten answers. This is leading us to where we are now. Last Fall, GIA announced they were discontinuing their handbell catalog. We were able to work with them and reach a Distribution Agreement to keep their back catalog fully available. We are also going to be adding to their catalog with new music. Phil Roberts has agreed to continue to be the editor of the GIA handbell catalog.

This Spring brought other news. Lorenz announced that the Summer release batch would be the last for the Lorenz and SoundForth handbell Catalogs. John Behnke has retired as the editor for the AGEHR Publishing handbell catalog. The Handbell Musicians of American has announced this will be the last release cycle for their catalog.

But don't despair- there is still going to be plenty of new great music available. Agape/Hope Publishing, Choristers Guild, Beckenhorst, From the Top Publishing, Jubilate's Alfred Handbell, and many more are still going to publish handbell music.

And there are new publishing entities starting up, like Brian Childer's Bellissimo Publications, Ron Mallory's Paraboloid Press, and Sondra Tucker's Casa Publications. Kath Wissinger's ringTrue catalog brings a unique group of music to the school market including her Square One teaching method. High Meadow Music by Gary Smoke and Peggy Thompson has new music this summer, also.

And don't forget the wonderful music that comes from our folks at Jeffers Handbell Supply. Jeffers Publishing, Red River Music, Composers Music, Ringing Word, Ring Out! Press, Ringing Word, and many other catalogs.

So let's celebrate the music publishers that have grown with the handbell community and those that are coming from within to bring even more innovation to the future. And don't forget... just because a title may be old doesn't mean it is not still valuable. There are a lot of choirs that ring that music everyday.

New Music for Handbells & Handchimes from Jeffers Publications

HARK, THE GLAD SOUND

arr. Ron Mallory

Sounds much more difficult than it actually is! Full of techniques and very pleasing to the ear, it is as fun to play as it is to hear. Choirs from beginning to a little more advanced should give this one a try.

2-3 octaves/opt. 2 oct. handchimes **Level 1**
RO3361 \$4.95 \$4.21

AN AMERICAN SPIRITUAL

arr. Patricia Hurlbutt

This lively arrangement features marts, thumb damped sections, and a growing intensity from the beginning to the final measure. Although easy to play, it will be very pleasing in the sound produced, especially if played up to tempo. This is a great choice for school, concert, or church settings.

2-3 octaves **Level 1**
CP7082 \$4.95 \$4.21

CHRISTMAS JOY MEDLEY

arr. Barbara Scheffter

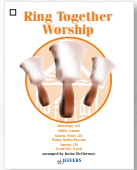

This joyful medley of strong Christmas songs - "Joy to the World" and "While By My Sheep" - will be a delight in almost any Christmas program. The few, well-spaced bell changes are easy to accomplish and provide good teaching moments. Both beginning and more experienced choirs will find this arrangement satisfying and useful.

3-5 octaves **Level 1+**
CP7084 \$4.95 \$4.21

RING TOGETHER WORSHIP

arr. Kevin McChesney

The hallmark of the *Ring Together* series is easier arrangements that are still well-crafted and interesting, and that is true for this volume as well. Ringers will find challenge in the special techniques and dynamic contrasts. Included are: *Amens* (2 settings), *Dona Nobis Pacem*, *Gloria Patri* (2 settings), *Doxology* (2 settings), *Lead Me Lord* and *Tallis' Canon*.

2-3 Octaves **Level 1**
JHS9261 \$5.95 \$5.06

FAITH OF OUR FATHERS

arr. Ron Mallory

One of the great hymns of the Church comes to life in this winning, engaging arrangement by Ron Mallory. Useful in almost any type of service throughout the Church year, this one comes together quickly with little rehearsal, making it accessible to almost any choir.

3-5 octaves **Level 2**
RW8270 \$4.95 \$4.21

INTO YOUR KINGDOM

Joe Galyon

This mesmerizing original work takes its inspiration from the plea of the thief on the cross to Jesus to "remember him when He comes into His kingdom." Quoting from the hymn tunes *PASSION CHORALE* and *HAMBURG*, this one is simple to learn but filled with passion and meaning.

3-5 octaves/opt. 3-4 oct. handchimes **Level 2**
RW8271 \$4.95 \$4.21

12 BELLS IN F: CHRISTMAS HYMNS

arr. Bill Ingram

This popular series for 3-6 ringers continues with six arrangements of well-loved carols. No bell changes means no table is required, making this collection very useful for concerts "on the go." It's also a great resource for choirs that may find themselves short-handed from time to time. Included are *Angels We Have Heard on High*, *A Christmas Lullaby*, *He Is Born*, *Joy to the World*, *Silent Night* and *The First Noel*.

12 bells (3-6 ringers) **Level 2**
RO3362 Collection \$6.95 \$5.91

BRAHMS & BELLS

arr. Bob Burroughs

HAY RIVER ANTHEM

rr. Kevin McChesney

This lively anthem from Kevin McChesney features a melodic C-instrument part and driving percussion. From Kevin: "This was written for the high school bell choir and percussion group in Hay River, a community of about 3,000 in the Northwest Territories of Canada. This makes it the second BIGGEST town in the Northwest Territories,

and the nearest bell choirs are 700 miles away in Edmonton. It was an exciting, interesting place with wonderful people, and I hope this piece reflects that." This would be an excellent concert choice for school or community groups, especially for those wishing to mix other instruments with bells.

Hillsides on a Spring Evening

Storms 'Till Dawn (Soundscape 4)

A melancholy portrait of summer storms blowing across the plains, it is set in the minor mode. The accompaniment track features gusts of wind, distant thunder, wind chimes, low string pads and acoustic guitarish lead with which the bell soloist intertwines melodic material. Eventually, the storm moves out and is replaced by simple morning rain with harp leading into bits of "Londonderry Air." The rain dissipates and is replaced with an acoustic guitar outlining chords with singing birds and insects at dawn.

At Peace (Soundscape 5)

At Peace is the only "stand alone" solo of this set. It is the only accompaniment that doesn't rely on electronics and is pianistic in concept. It works well with the recording or with a live pianist. The primary accompaniment is simple piano with reverb and soft string pad underneath. This beautiful improvisation will quickly become a favorite of the soloists repertoire.

Crotales: Bring New Spark to Your Music!

What Are Crotales? Sometimes called antique cymbals, crotales are percussion instruments consisting of small, tuned bronze or brass disks. The name comes from the Greek *crotalon*, for a castanet or rattle.

- play with mallets, like finger cymbals, or by bowing
- bright, sparkling sound with long resonance
- available in low and high octave sets (13 discs in each set)
- sets include universal mounting bar that fits most standard cymbal stands
- easy to transport (separate cases available)
- tuned to A+442 unless otherwise requested

- discs feature countersunk center holes to accept recessed rubber caps, and the bars include shorter mounting pins—combination allows the caps to sit almost flush with the Crotale surface, greatly reducing extraneous noise when playing
- steel reinforced stem on mounting bars reduces the potential of breakage at the common stress point

DAMAGES/ERRORS

Please notify us immediately upon receipt of any damage or error in the order. Retain all damaged merchandise and packaging material for inspection.

CREDIT POLICY

We can establish open account orders for churches and schools. Please pay from the invoice, which is included in the package. We reserve the right to request credit references and to report credit information to credit bureaus.

Terms are net 30 days. Accounts over 30 days will have finance charges of 1.5% per month (18% APR) added to the bill (min. \$1.00 per month). In addition, if any account remains unpaid after 60 days from the invoice date, we shall hold future orders until the account is again current. Invoices not paid within agreed upon terms may be subject to a reversal of all discounts. Individuals and new customers, please send a check or money order. We also accept Visa, MasterCard, Discover and American Express.

SALES TAX

We reserve the right to add sales tax in all states without prior notice. Recent court decisions are allowing more states to require retailers to collect sales taxes. If your organization is exempt from sales tax in your state please provide us with your sales tax exemption form. Just providing an exempt number is not sufficient. This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for South Carolina. South Carolina does not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

15% off all non-sale music. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software and instruments are not subject to music discount.
