Welcome Back!

Who would have thought this would happen. Handbells stopped ringing all over the place. The whole world seemed to go quiet for a moment. Then some folks started to working to keep their skills in order. Others are trying to develop new skills. We are seeing a lot of demand for Solo & Duet handbell music and Belltree music and equipment.

Now the questions is how do we get Handbells Ringing Again. As I write this in early June we know that most in location events are canceled. Some have gone virtual and the Handbell Musicians of America are planning a combination event with a limited number of on site participants and virtual components. They are opening it up for all to register even if you are not currently a member of HMA.

At the beginning of this we started working with many of the handbell music publishers. We worked with them to get the new music available for review on HandbellWorld.com. We have been sending out eScorebook Email Newsletters to let you know about the new music. These emails provide links to download a PDF scorebook and a zip file of the MP3 music files. If you missed an email or just want to see all the different music scorebooks available visit HandbellWorld.com/Scorebook. If you are not s ubscribed take a moment and visit HandbellWorld.com/evibes to sign up for future emails.

In June we started mailing the printed publisher scorebooks. Some of these do not have a CD. But you can still download the MP3 music files from the scorebook page for each publisher.

The Handbell Industry Council has prepared an excellent resource for "Ringing Safely in Covid 19 Times". you can access this information at handbellindustrycouncil.org/covid-19-information-2. This might help some to get ideas on how to incorporate handbells in the worship services.

So how have you spent your Spring?

What are you planning for the Fall?

Let us know how we can help.

Bell Tree Keyboard Manual by Barbara Brocker

The purpose of this "how-to" manual is to provide an opportunity for the ringer to play the bell tree keyboard by following the steps in the manual. It is not intended to be a manual to teach basic music reading. It is for the ringer who would like to explore a different aspect of ringing. A "keyboard" setup is not needed for every piece of bell tree music played; however, you can use the bell tree keyboard concept as a starting point. The more connections you can make to a standard set up, the quicker the learning process becomes.

RINGING WITH 250+ YEARS OF EXPERIENCE

Handbells by Whitechapel

each bell contains more metal in the casting, producing a full rich sound • tuning of the bell creates a dramatically pleasing tone (each set is regarded as a single instrument and tuned as such) • quality of the casting and internal mechanism makes it possible to create a range of sound from soft to loud that no other handbell can replicate • the character of every set is recorded and kept so that future additions may be perfectly blended • smooth clapper mechanism means you only hear the bell, not any off sounds coming from the mechanisms- they only produce clear, rich ringtones!

UNSURE IF YOUR BELLS NEED PROFESSIONAL SERVICE?

No matter how diligent you are about caring for your handbells, like anything else mechanical, parts will eventually become worn, suffer reduced performance or lose their luster.

Some signs that it's time for your handbells to be professionally serviced:

- your bells seem harder to play
- they squeak/click/thud/clang/etc. when rung
- clappers feel "sticky" or "stuck"
- bells are harder to identify because of worn handles or handguards
- tarnish remains even after everyday cleaning/polishing

WORRIED ABOUT YOUR BELLS BEING "AWAY"?

We can schedule your service appointment up to a year in advance, leaving you plenty of time to plan. You can even book during one of our discount periods to save!

Bell Service, page 14

Use of non-OEM parts may result in the Schulmerich™ Lifetime Warranty being voided.

As a New Handbell or Handchime Choir, What Will We Need?

Every group is unique; the answers depend on the group's size, ringers' ages and budget. Budgets should be developed to include not just the handbells, but also everything needed to use, care for, and enjoy them properly. A typical list of accessories might include:

For Handbells:

(Handchime list available at HandbellWorld.com)

Polishing cloths: 1 per ringer (everyday cleaning)

Polish: for occasional deep cleaning

Gloves: 1 pair per ringer

Notebook Stands: 1 for every 1-2 ringers

Tables: we recommend 29" or 30" height, with total length determined by number of ringers (20"-24" per ringer)

Foam pads: we recommend 4" thickness (length determined by tables)

Music: allocate \$100-\$200

Crotales by **SABIAN**

BRING NEW SPARK TO YOUR MUSIC!

Crotales by Sabian

What Are Crotales? Sometimes called antique cymbals, crotales are percussion instruments consisting of small, tuned bronze or brass disks. The name comes from the Greek *crotalon*, for a castanet or rattle.

play with mallets, like finger cymbals, or by bowing • bright, sparkling sound with long resonance • available in low and high octave sets (13 discs in each set) • sets include universal mounting bar that fits most standard cymbal stands • easy to transport (separate cases available) • tuned to A+442 unless otherwise requested • discs feature countersunk center holes to accept recessed rubber caps, and the bars include shorter mounting pins— combination allows the caps to sit almost flush with the Crotale surface, greatly reducing extraneous noise when playing • steel reinforced stem on mounting bars reduces the potential of breakage at the common stress point

New Music for Handbells & Handchimes from Jeffers Publications • Summer & Fall 2020

BEST OF RING TOGETHER FOR 2-3 OCTAVES

arr. Kevin McChesney

2-3 octaves handbells or handchimes

(Reproducible)

MJHS9603

Levels 1-2

\$49.95 \$42.46

This fully reproducible collection features a variety of arrangements from throughout the ringing calendar, curated from the popular "Ring Together" series. These are versatile, easy-to-learn settings that are perfect for both beginning choirs and for those with limited rehearsal time. Each arrangement is designed to aid in the development of the musical and technical growth of the ringers. The "Ring Together" series has been a valuable resource for many choirs over the years, and this reproducible collection is no exception.

I KNOW THE LORD'S LAID HIS HAND ON ME

arr. Patricia Hurlbutt

2-3 octaves

MCP7086

Level 1

\$4.95 \$4.21

Patricia Hurlbutt returns with another very useable arrangement of a well-known spiritual, suitable for 2 or 3 octaves of bells. Featuring a variety of techniques, this level one setting will work equally well in school or church environments. The only difficulty for beginning groups will be the quick tempo, but this spiritual can be effective at a slower pace as well.

'T WAS IN THE MOON OF WINTERTIME

arr. Dave Howland

2-5 octaves

MCP7087

Level 1+

\$4.95 \$4.21

Arranger David Howland brings us this hauntingly beautiful arrangement of a French Canadian Christmas tune. Although Level 1+, it is in 2/2 meter and will provide a good teaching opportunity for that time signature. Beginning groups might start out with 4/4 meter and then move on up to 2/2. Enjoy this lovely work on two, three, four or five octaves of handbells.

HOLY GOD, WE PRAISE YOUR NAME

arr. Kevin McChesney

3-5 octaves

MJHS9602

Level 2

\$4.95 \$4.21

This lovely hymn is used primarily in the Catholic Church, but it appears in some Protestant hymnals as well. Even if your audience isn't familiar with the tune, Kevin McChesney's beautiful arrangement could be used as an "original" prayerful offering or any time a moment of reflection is needed.

THERE'S A SONG IN THE AIR

arr. Bill Ingram

3-5 octaves

MRO3368

Level 2

\$4.25 \$3.61

Bill Ingram brings us this fresh setting of a favorite Christmas carol. Suitable for 3, 4 or 5 octaves, the key used is in a good range for singing, and the bells could accompany a soloist or group singing. Lyrics are included in the score.

"Minuit, chretiens" (Midnight, Christians) which was written by wine merchant and poet, Placide Cappeau (1808-1877). The song was originally intended for solo voice, but has been arranged and reset for a variety of voicings and instrumentation over the years. This current setting is for two or three octave handbell choir and is abbreviated to make it more accessible and performable by smaller groups.

The Great Christmas Giveaway

(A Gift from God
in Every Package)

A Christmas Musical featuring Handbells and More!

Words and Music by Darrell Day
Script by Dottie Starnes

"The Great Christmas Giveaway" is a musical about one man's journey to discovering the true meaning of Christmas. Approximately 90 minutes in length, it features 12-13 adult singers/actors plus choir with keyboard and handbell accompaniment.

Scrooge-like Edwin is completely caught up in his own world. At the insistence of his mother, Edwin begrudgingly takes on the responsibility of selecting Christmas presents for his family, a task formerly taken care of by his late wife.

All the stores are closed when Edwin finishes his work for the day. He stumbles across a street peddler and attempts to buy one item from him, but the peddler insists that he buy all of the remaining merchandise. Edwin eventually agrees and discovers that he now has a gift for everyone on his list, plus a few extras. However, to add insult to injury (in his eyes), Edwin is forced to deliver the gifts, as it is too late for them to be shipped. Edwin sets out to play Santa.

With the help of a new friend and a little Christmas "magic," Edwin comes to realize that Christmas is about more than giving gifts. He sees that his gifts, so reluctantly given, have impacts far beyond what he could have ever imagined. Through the grace of God, they have become "The Great Christmas Giveaway."

DAMAGES/ERRORS

Please notify us immediately upon receipt of any damage or error in the order. Retain all damaged merchandise and packaging material for inspection.

CREDIT POLICY

We can establish open account orders for churches and schools. Please pay from the invoice, which is included in the package. We reserve the right to request credit references and to report credit information to credit bureaus.

Terms are net 30 days. Accounts over 30 days will have finance charges of 1.5% per month (18% APR) added to the bill (min. \$1.00 per month). In addition, if any account remains unpaid after 60 days from the invoice date, we shall hold future orders until the account is again current. Invoices not paid within agreed upon terms may be subject to a reversal of all discounts. Individuals and new customers, please send a check or money order. We also accept Visa, MasterCard, Discover and American Express.

SALES TAX

We reserve the right to add sales tax in all states without prior notice. Recent court decisions are allowing more states to require retailers to collect sales taxes. If your organization is exempt from sales tax in your state please provide us with your sales tax exemption form. Just providing an exempt number is not sufficient. This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for many states, and several do not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

15% off all non-sale music. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software and instruments are not subject to music discount.
