Bell Tree Keyboard Manual by Barbara Brocker

The purpose of this "how-to" manual is to provide an opportunity for the ringer to play the bell tree keyboard by following the steps in the manual. It is not intended to be a manual to teach basic music reading. It is for the ringer who would like to explore a different aspect of ringing. A "keyboard" setup is not needed for every piece of bell tree music played; however, you can use the bell tree keyboard concept as a starting point. The more connections you can make to a standard set up, the quicker the learning process becomes.

When do my bells need service?

No matter how diligent you are about caring for your handbells, like anything else mechanical, parts will eventually become worn, suffer reduced performance or lose their luster.

Some signs that it's time for your handbells to be professionally serviced:

- your bells seem harder to play
- they squeak/click/thud/clang/etc. when rung
- clappers feel "sticky" or "stuck"
- bells are harder to identify because of worn handles or handguards
- tarnish remains even after everyday cleaning/polishing

Worried About your bells being "away"?

We can schedule your service appointment up to a year in advance, leaving plenty of time to plan. You can even book during one of our discount periods to save! [more details on page 18](#)

As a new Handbell or Handchime choir, what will we need?

Every group is unique; the answers depend on the group's size, ringers' ages and budget. Budgets should be developed to include not just the handbells, but also everything needed to use, care for, and enjoy them properly.

A typical Handbell choir list of accessories might include

- Polishing cloths: 1 per ringer (everyday cleaning)
- Polish: for occasional deep cleaning
- Gloves: 1 pair per ringer
- Music Stands and/or Notebook Stands: 1 for every 1-2 ringers
- Tables: we recommend 29" or 30" height, with total length determined by number of ringers (20"-24" per ringer)
- Foam pads: we recommend 4" thickness, with the length determined by the tables you select
- Music: allocate at least \$150.00. Be sure to ask our customer support staff about our Handbell Music Package.

Handbells by Whitechapel

each bell contains more metal in the casting, producing a full rich sound • tuning of the bell creates a dramatically pleasing tone (each set is regarded as a single instrument and tuned as such) • quality of the casting and internal mechanism makes it possible to create a range of sound from soft to loud that no other handbell can replicate • the character of every set is recorded and kept so that future additions may be perfectly blended • smooth clapper mechanism means you only hear the bell, not any off sounds coming from the mechanisms- they only produce clear, rich ring tones!

The Great Christmas Giveaway

Edwin Boniface is a Scrooge-like character completely caught up in his own little world and while he isn't as anti-social as the Dickens character, he does tend to ignore anyone or anything other than his dry cleaning business. At the insistence of his mother, Edwin begrudgingly takes on the responsibility of selecting Christmas presents for his family members, a task formerly taken care of by his late wife.

It's late when Edwin finally finishes his work for the day and all the stores are closed. As "luck" would have it, he stumbles across a street peddler, from whom he attempts to buy one item. The peddler insists that he buy all the remaining merchandise. Not knowing what he will do with the extra items, Edwin eventually agrees. Upon closer inspection, he discovers that he now has a gift for everyone on his list and he hurries back to his office to wrap them. However, to add insult to injury (in his eyes), Edwin is forced to hand-deliver the gifts to his relatives, as it is too close to Christmas for them to be sent through the post office. Disgruntled, Edwin sets out to play Santa.

With the help of a new-found friend and a little Christmas "magic", as Edwin interacts with his family, he comes to realize that Christmas is about more than simply giving presents to those closest to you. He sees that his gifts, so reluctantly given, have impacts far beyond what he could have imagined. Through the grace of God, they have become "The Great Christmas Giveaway."

A musical for 12-13 adult singer/actors plus choir, with keyboard and handbell accompaniment.

Please notify us immediately upon receipt of any damage or error in the order. Retain all damaged merchandise and packaging material for inspection.

CREDIT POLICY

We can establish open account orders for churches and schools. Please pay from the invoice, which is included in the package. We reserve the right to request credit references and to report credit information to credit bureaus. Terms are net 30 days. Accounts over 30 days will have finance charges of 1.5% per month (18% APR) added to the bill (min\$1.00 per month). In addition, if any account remains unpaid after 60 days from the invoice date, we shall hold future orders until the account is again current. We also accept Visa, MasterCard, Discover and American Express.

SALES TAX

We reserve the right to add sales tax in all states without prior notice. Recent court decisions are allowing more states to require retailers to collect sales taxes. If your organization is exempt from sales tax in your state please provide us with your sales tax exemption form. Just providing an exempt number is not sufficient. This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for many states, and several do not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

Most music up to 40% off retail price. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software, and instruments are not subject to music discount.
