Bell Tree Keyboard Manual by Barbara Bocker

The purpose of this "how-to" manual is to provide an opportunity for the ringer to play the bell tree keyboard by following the steps in the manual. It is not intended to be a manual to teach basic music reading. It is for the ringer who would like to explore a different aspect of ringing. A "keyboard" setup is not needed for every piece of bell tree music played; however, you can use the bell tree keyboard concept as a starting point. The more connections you can make to a standard set up, the quicker the learning process becomes.

DAMAGES/ERRORS

Please notify us immediately upon receipt of any damage or error in the order. Retain all damaged merchandise and packaging material for inspection.

CREDIT POLICY

We can establish open account orders for churches and schools. Please pay from the invoice, which is included in the package. We reserve the right to request credit references and to report credit information to credit bureaus. Terms are net 30 days. Accounts over 30 days will have finance charges of 1.5% per month (18% APR) added to the bill (min \$1.00 per month). In addition, if any account remains unpaid after 60 days from the invoice date, we shall hold future orders until the account is again current. Invoices not paid within agreed upon terms may be subject to a reversal of all discounts. Individuals and new customers, please send a check or money order. We also accept Visa, MasterCard, Discover and American Express.

SALES TAX

We reserve the right to add sales tax in all states without prior notice. Recent court decisions are allowing more states to require retailers to collect sales taxes. If your organization is exempt from sales tax in your state please provide us with your sales tax exemption form. Just providing an exempt number is not sufficient. This will allow us to update your account on our systems. If we do not have a sales tax exemption form on file we may be required to charge sales tax. If we do this tax will not be refundable.

We are currently required to collect sales tax for many states, and several do not have an exemption to sales tax for religious organizations. If you qualify for an exemption you may submit your tax exempt forms in any of the following ways:

Email: taxform@jhsbell.com

Fax: 803.781.3020 or 803.732.4435

Mail to: Jeffers Handbell Supply, PO Box 1728, Irmo, SC 29063-1728

Upload: HandbellWorld.com/TaxForm. If you prefer you may log into your HandbellWorld e-account and upload the file so it will be saved under your login.

MUSIC POLICY

The Jeffers Retail Music Department has one of the world's largest inventories of handbell music, containing the work of more than 100 publishers. Some of these companies print just a few titles; others print several releases each year. We stock all of this music to provide you with the fastest service possible; our goal is to get your order on its way in 24-48 hours. When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.

Music Discount

Most music up to 40% off retail price. There are no discounts on CDs, DVDs or videos. Equipment, supplies, software, and instruments are not subject to music discount.
