“We Want to Hear You Ring!”

WELCOME BACK!

Not just to this issue of the Vibrations but also to ringing. We are excited to see the number of handbell choirs ringing again increasing this season. Groups large and small, old and young have returned to making music and ringing good times. Welcome back to all ringers.

As we approach a new year I am reminded again of how wonderful a life it is to be involved with handbells. Talking and visiting with people throughout the handbell world brings joy to my heart. For those that don't know Pam and I have been involved with handbells since 1975. We have grown up surrounded by many warm and wonderful people. Many who knew us as "kids" are still with us and occasionally remind us with a story.

A change you will notice is that all the scorebooks of new music are without CD's. This is a decision that has taken years to make. We have heard from many of you over the last 5 years and believe that now is the time. Fewer new computers and cars are coming with CD's drives installed. And many people are now listening in different ways. You can go to HandbellWorld.com/scorebooks and download all the new music recordings from your favorite publishers. We have been bundling the recordings with a PDF of the scorebook. So download the recordings and listen in your favorite way.

In 2024 the Handbell Musicians of America are having their annual National Convention in Hartford, CT July 9-13. The 21st International Handbell Symposium will be in Hamamatsu, Japan August 12-17, 2024. Plus there are many more local events happening all over the country through out 2024.

Bell Trees

Don't have enough choir members? Try a Bell Tree Stand! Bell Tree Stands allow for a single person to play an array of bells at one time.

Bell Tree Stands

Our Bell Tree Stands make the use of bell trees and malleted bells easier! Bell handles are held securely in place by inconspicuous O-rings that can be positioned according to your needs. Stands are 50" tall in their lowest position, but can be extended to 61", 65", 69", or 73" to accommodate the number of arms needed. Base measures 24" across, weighs about 14 lbs., and breaks down into two pieces for easy storage and transport. The adjustable feet provide stability on uneven surfaces and are interchangeable with the locking casters for more mobility. Each stand comes with 2 arms, 4 locking casters, a pack of O-rings, and all assembly hardware. Additional arms and casters are available.

12 Bells for Spirituals – Looking for more challenge in a 12-bell collection? You will love these five L3 arrangements, *available in four ranges* to fit your group to a “T”: B4-F6, C5-G6, D5-A6 and F5-C7 - for adept 4iH trios up to 6 ringers. Ideal for small groups, small spaces, no tables & even outdoors! **Reproducible** RE4014BFR, RE4014CGR, RE4014DAR, RE4014FCR Level 3

12 Bells + a Solo (Swing Low, Sweet Chariot) - Showcase an easy Belltree Solo (or 2-4 Ringers) on an 8-bell melody and challenge 3-6 ringers on the L3 12-bell accompaniment. Two bell sets are needed unless one of the parts is played on chimes. Offered in 2 ranges for flexibility. A great option when you have an extra ringer or two - or an interest in solo ringing. 4-10 ringers. **Reproducible** RE65BPS01FCR F5-C7 (+Solo B5-C7) RE65BPS01CGR C5-G6 (+ Solo F5-G6)

Wave the Palms! Hosanna! Celebrate Palm Sunday with this new Chord Story. For 2 to 18 or more participants. **Reproducible** RE1006R Level Zero 2-3 oct.

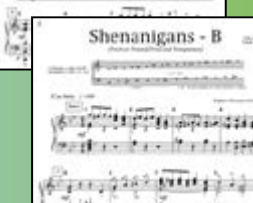

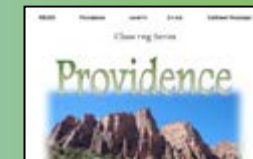

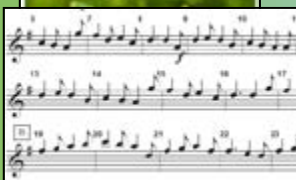

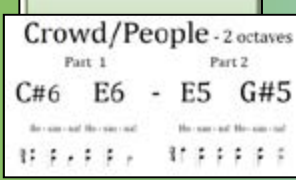

Skip Jack (Blessings of the Day) – A bright, original Celtic jig of Medium difficulty for 2-11 ringers using bells and opt. chimes. The melody (A5-C7) is played by Belltree solo, 4iH duet or 3-6 ringers, and the counter-melody (D4-A5) on bells or chimes by 1-5 ringers; or either voice on C instrument! **Reproducible** RE6537R Med. 3 oct. bells + opt. 2-3 oct. chimes/bells

Providence – Carefully-placed techniques and level-appropriate skills engage all ringers in this cheery, bold piece; simple syncopation, marts, mart lifts, a key change, Mixolydian mode, accidentals, LV, TD, echo, shake & RT. A Unison Exercise page is included for teaching new skills – as well as a short bonus piece! Great for classroom, concert, worship and festival. RE3003 Level 1+ 3-5 oct.

Shenanigans A & B – Full of hijinx with sneaky chromatic shifts and accidentals around every corner! Mallets, mart lift, mart, LV & gyro make this piece a favorite. Performance from 2:00 to 3:10 with optional repeats. Two non-compatible scores in different ranges are included: “A” for 3-5 oct. is easier with all 8th notes within positions. Add some intrigue to your concert (for Halloween use “*Trick or Treat*”), festival, classroom and even worship (“*Trial and Temptations*”). Spirituals just work so well on handbells, and this arrangement of an old favorite certainly proves that point again. Arranger Mitchell Eithun adds an alto sax to the mix to create a moving, bluesy feel that would work well in just about any setting. The saxophone part, while not optional, is included in the folio. This one would make a great selection for festivals as well.

Boulevard Promenade

Michael Glasgow

5-7 oct HB Level: 4

MRRG5021

\$5.95 5.36

When Harmony Handbells of Las Vegas commissioned Michael Glasgow to compose an original piece celebrating the group's 20th anniversary, Michael wanted to harness the live-and-let-live, carefree "joie de vivre" that is such a hallmark of the city. With people of every age, shape, race, style, color, background (and clothing every bit as diverse as those wearing it!), a walk on Las Vegas Boulevard ("the Strip") offers some of the best "people watching" in the world. With or without the included drum part, this charming musical stroll will warm the hearts of audiences and ringers alike!

Cantabile Ring Along Series

The Ring Along Series by Ardis Freeman is a unique concept; no music reading experience is necessary to play handbells as accompaniment for singing. Simply ring on the syllables that have circles or squares around them and damp on the syllables that are underlined. Voilà! Instant success!

Each set contains 8 books, one for each bell needed. Add as many ringers and octaves as desired. A very practical resource with multiple uses, these books are perfect for Sunday School classes, Bible School programs, community sing-a-longs, and anything in between. Don't have handbells? No problem! This series works just as well with chimes.

All books are for 2 or more octaves of bells or chimes

The Beginning Handbells for Children series is designed to help young people read melodies and hear their particular pitches within the context of that melody. This is NOT like any other series for young people. Except for a few rare instances, you will not find stacked chords, and the simple melody is accompanied by a piano part and a C-instrument obligato. Feel free to alter the piano figure to meet your needs. It is written to be easy to play and to assist in accenting the melody rung by the handbells

This beloved Christmas carol originated in Cornwall county, England during the 13th or 14th century. It is thought that the tune was composed for or inspired by a Miracle Play, one of the earliest forms of theater which dramatized favorite Bible stories. The tune was first transcribed and published in its current form in 1823 by William Sandys, with additional new lyrics by Davies Gilbert, thereby bringing it into the modern era. Billy Brandt's arrangement, commissioned by the Badger State Girls Choir (Neenah, WI), features a straightforward handbell part, unison voices, and a flute obbligato.

250 YEARS OF Handbells by Whitechapel

Each bell contains more metal in the casting, producing a full, rich sound. The tuning of the bell creates a dramatically pleasing tone. (Each set is regarded as a single instrument and tuned as such.) The quality of the casting and internal mechanism makes it possible to create a range of sound from soft to loud that no other handbell can replicate. The character of every set is recorded and kept so that future additions may be perfectly blended. The smooth clapper mechanism means you only hear the bell, not any of the sounds coming from the mechanisms- they only produce clear, rich ringtones!

When we receive your call early in the day, your order is often shipped that same evening.

Music on Approval

Many directors need help selecting music. We are delighted to help with our Music on Approval program. Order the titles you would like to see. Review them and decide to keep, order more, or return them. We ask that you include a copy of the invoice with all returns and pay for shipping both ways.
