Kris Kringle Jingle

Arr. Merle Peterson

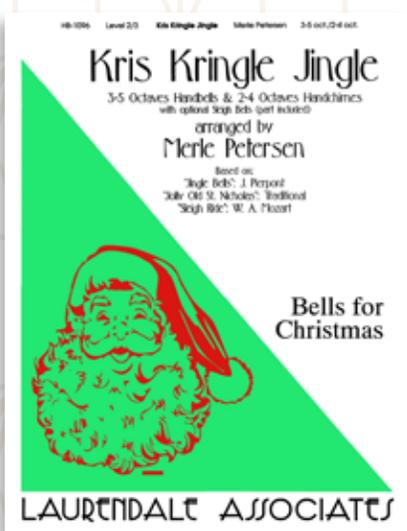

3-5 Octaves • Level 3

MLAHB1096

~~\$5.25~~ \$4.73

Merle Petersen has a way with creative titles and ideas. In this delightful romp she combines "Jingle Bells", "Jolly Old St. Nicholas", and Mozart's "Sleigh Ride" ("Die Schlittenfahrt" from Three

German Dances). Sleigh bells add to the magic but are optional, as are the 6 handchimes (G5-D7). Lots of fun techniques are used, including even a rolled chord in places. Measures total 108.

PERFORMANCE NOTES

For the 6 person ensemble this is a rather difficult piece that requires a lot of well rehearsed sharing of bells between ringers 3, 4 and 5. We use table plucking in the bass for a well defined bass line, and finger (hand) plucking in the treble to differentiate the melody from the accompaniment.
