Hiding In Thee

arr. Mary Lou Fast

3-6 oct HB

MRO3402

Level: 2

~~\$5.25~~ **\$4.73**

From arranger Mary Lou Fast: "Based on Psalm 46:1, this beloved hymn tells us that God is our refuge and strength, a very present help in trouble. Thus, we can be assured that Jesus will take care of our every need and will be our hiding place."

Every time you hear this hymn, may it remind you of this truth." The beautiful chords, passing eighth notes, and lovely harmony all work to enhance the melody of this setting, making it appropriate for any church service or concert.

MRO3400

Level: 2

This beautiful, flowing treatment of the hymn tune SALLY GARDENS from the pen of Rick Holdsworth

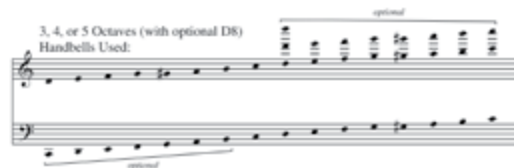

starts with an ethereal mood created by singing bells and LV's in the melody line. From there, the piece grows as the melody moves from the treble bells to the bass and back for a full presentation of the tune, and then settles back down to a quiet ending.

Easter Greeting

Level: 2

MRO3232

~~\$3.75~~ **\$3.83**

The joyful greeting of the early Christians - "He is risen!" "He is risen, indeed!" - is presented via a ringing, speaking, and antiphonal processional

that leads into an optional arrangement/hymn accompaniment to "Christ the Lord Is Risen Today." Performance directions outlining a variety of ways to implement the piece for your situation are included.

LYNNE HOLLANDER

Chimes (or Handbells) used: 25 or 33

* 3 octaves do not ring notes in ().

Performance Directions

- Easter Greeting may be rung in any combination of sections. During the A section ringers should ring and process. During the B and C sections ringers should stand as they ring and speak the greeting. Two suggested sequences for performance are: 1) two-measure intro - A - B - A - B - A - C 2) two-measure intro - A - B - A - C. However, you may tailor the greeting to fit your room, time and ringers.
- Try dividing your choir into two groups, which process from different entrances. Group 1 should speak the "stems-down" text and Group 2 the "stems-up" text. If you choose to ring/speak section II twice, consider adding the congregation.
- Use your creativity!
- A modulation into "Christ the Lord Is Risen Today" (EASTER HYMN) is optional as is the handbell arrangement. Both may be used to accompany hymn singing, with or without other instruments.

"I Have Seen the Light" is one of the finest new Christmas songs to be written in the last two decades, and Sondra Tucker has produced an

arrangement that is surely worthy of it. The techniques used are not difficult but add just the right flavor to the song. Lyrics are not included in the score, but the addition of a vocal soloist to the bells would work well.
